

- 1.] Attendance: Scott Saulson, Dick Lyon, Jeff Turnage, Sandra Murray, Tom Reilly, Kathy Glenn.
- 2.] Scott discussed the new Huntley Hills outreach program, citing how such services to the elderly show us "how to age in place more gracefully" as a neighborhood. "Handymen and house guests" will be the principal focus points. There will be a meeting on this concept at the Huntley Hills Swim and Tennis Club, 3040 Plantation Lane, Atlanta, Georgia 30341 at 4PM on Sunday, August 15th, 2010.
- 3.] AACA co-sponsorship could be the wave of the future i. e. neighborhoods would now be acting in groups.
- 4.] If we have an August meeting, we could get a Dekalb County Board of Health speaker. Or: we could just have a meeting in September in a better context.
- 5.] Tom Reilly in AACA announcements could always add "'we would be delighted to get volunteers who would work through Jeff Turnage."
- 6.] Eight neighborhoods voted in favor of the Associate Member amendment, four neighborhoods opposed, one neighborhood abstained. The amendment is to be posted on the website with any needed explanations. Associate Members are to have total communication with the AACA except on matters of issue votes.
- 7.] Scott Saulson might go to the Regional Neighborhood Summit meeting.
- 8.] The National Night Out event will occur at Blackburn Park on Tuesday, August 3rd, 2010 between 5:30PM and 8:30PM. The location will be the large pavilion across from the YMCA. Some 500 people are expected to attend. The AACA will co-host with the YMCA. Jeff Turnage will send Tom Reilly information on any AACA communication with businesses. Hot dogs will be either beef or chicken. The budget should start at \$250, then add another \$300 on for food--there should be a \$550 overall cap for now. Scott Saulson reminded us that we need to buy yard signs, business cards, banners, shirts, and brochures. We should be reimbursed for any AACA flyers. We are to go "door to door" to businesses requesting promotional produce donations, perhaps with a percentage of any proceeds going to the AACA. Krogers now needs corporate approval to make donations. Kathy Glenn suggested that we offer business sponsorships with the proceeds going to the AACA.
- 9.] We decided that we will need banners showing our support of the police, residents, and businesses. It was pointed out that NINETY PER CENT of crimes occur in business parking lots.
- 10.] PLEASE excuse the tardiness involved in getting these minutes processed. My schedule's been jam-packed lately. As always, feel free to make any needed additions or corrections before these minutes are posted to the website. Many thanks!!

Tom Reilly, Secretary
